# A Message From the Snohomish County Assessor, Cindy Portmann

---

Hello,

I am pleased to announce that with our 2005 revaluation and assessment for property taxes payable in 2006, we once again were able to achieve excellent performance standards and statistics. I am truly grateful to my talented and dedicated staff for their professional and courteous work on behalf of those we serve.

The number of appeals to the Board of Equalization was low again in 2005 with the owners of only 0.5% of property revalued appealing their new assessment. This is a strong indication that property owners feel their assessments are fair and equitable and that their concerns and questions are being addressed in a timely fashion.

My staff and I are not only committed to fair and equitable assessments, we are also committed to providing excellent customer service by being open, accountable and accessible.

In 2005, our Customer Service staff and Exemption Department staff moved into the shared Customer Service Center located on the 1st floor of the new

Administration East Building. This new space brings the Assessor, Auditor and Treasurer's customer service counters together in one area which has helped our customers conduct their business with our offices quicker and easier. The rest of the Assessor's office staff also moved to the Administration East Building and are located on the 3<sup>rd</sup> floor.

Please do not hesitate to contact us if you have any questions about this report or ideas on how we can make it more useful for you. My staff and I are available to answer your questions and welcome your suggestions.

## Commonly Asked Questions

---

### **Q: What does the County Assessor Do?**

**A:** The Assessor sets the assessed value of all real and personal property within Snohomish County for tax purposes and sets the levy rates based on taxing district budget requests, statutory limits and property values. The Assessor's office also keeps track of ownership changes, maintains parcel boundaries, keeps descriptions of buildings and property characteristics up to date, administers tax exemptions and special use programs and analyzes trends in sales prices, constructions costs and rents in order to estimate the value of property.

### **Q: What is personal property?**

**A:** Generally, personal property is mobile property used in conducting a business. The chief characteristic distinguishing personal property from real property is mobility. Business inventories are exempt from the property tax, as are household goods and personal effects.

Taxable personal property includes (but is not limited to): office machinery and equipment as well as supplies and materials which are not held for sale or do not become an ingredient or component of an article being produced for sale. Also assessable as personal property are: furniture, fixtures and equipment in commercial use; leased equipment, certain leasehold improvements, manufacturing machinery and equipment; agricultural machinery and equipment, contractor's, sawmill and logging machinery and equipment.

### **Q: How often does the Snohomish County Assesor value personal Property?**

**A:** Annually. Personal property affidavits, which list taxable property by category, cost and the acquisition dates, are filed with the Assessor's office each year by the taxpayer and are due by April 30. The affidavits are used by the Assessor to value property for taxes due in the following year.

To find out more about personal property and to download forms, visit our website at [www1.co.snohomish.wa.us/departments/assessor](http://www1.co.snohomish.wa.us/departments/assessor) . Click on Assessor Links and then Business Equipment.

### **Q: What is real property?**

**A:** Real property includes all land and any improvements, such as buildings attached to the land. Manufactured homes and mobile homes are also assessed as real property.

### **Q: How often does the Snohomish County Assessor re-inspect and appraise real property for tax purposes?**

**A:** State law requires that the Assessor maintain a systematic revaluation program. All real property in Snohomish County is physically inspected at least once every six years. Approximately one sixth of the property in the county is re-inspected each year. The Assessor also adds value annually for new construction, remodeling, additions, subdivisions, etc. Beginning with the 2004 assessment for 2005 tax year, we changed to an annual reassessment program. All Real property is now statistically updated every year and physically inspected at least once every six years.

### **Q: What laws affect how the Assessor appraises my property?**

**A:** Washington State law requires Assessors to appraise property at 100 percent of its "true and fair market value" in money according to the "highest and best use" of the property. That means the Assessor must first know what similar properties are selling for, what it would cost to replace it, and what the current interest rates are for borrowing the money to buy or build properties like yours. There are three basic approaches to the valuation of real property:

- **Market or sales approach:** comparison of a property with the characteristics of similar properties that have recently been sold.
- **Cost approach:** estimate of the replacement cost of a structure and adjusting that estimate to account for depreciation.

■ **Income approach:** analysis of a property's value based on its capacity to generate revenue for the owner.

**Q: What is market value?**

**A:** It is the amount of money a willing and unobligated buyer is willing to pay a willing and unobligated seller. In other words, it is the price most people would pay for your property in its present condition.

**Q: Why do we have property tax?**

**A:** Taxing authorities such as school districts, park districts and city councils adopt their budgets and levy taxes to deliver the services that taxpayers want and authorize. Taxing authorities require money to provide those services. Property taxes are also used to pay for special voter-approved measures such as school maintenance and operation levies and bonds, and emergency medical levies.

**Q: If assessed value increases, do taxes have to increase?**

**A:** No. Raising property values does not increase taxes. Taxing districts' budgets are limited by how much their budgets can increase under the 1% Levy Limit. For example, let's say a portion of your tax bill is for a city:

■ The city taxing authority decides how much money the property tax has to collect that year, say \$1 million.

■ Assessors estimate the total assessed value (A/V) of all taxable property within the city, say \$500 million.

■ A tax rate (levy rate) is calculated by dividing the amount of tax to be raised by the total A/V of the city: \$1 million/\$500 million = \$2 per thousand dollars of A/V.

■ If your home's assessed value is \$100,000, your share of the taxes will be:  $.002 \times \$100,000 = \$200$ .

■ If the assessed value of property within the city doubles to \$1 billion, and the amount to be raised stays the same, the tax rate will be:  $\$1 \text{ million} / \$1 \text{ billion} = \$1 \text{ per thousand dollars of A/V}$ .

■ Your taxes, if your home doubles in value, will still be \$200:  $0.001 \times \$200,000 = \$200$ .

**Q: What is the statutory rate limit?**

**A:** The regular levy of each taxing district cannot exceed a certain rate, which is determined by the type of district. For example, the levy for the county current expense fund cannot exceed \$1.80.

**Q: What is the \$5.90 limit?**

**A:** The aggregate regular levy rate of all senior and junior taxing districts (not including the state, port districts and public utility districts, emergency medical levies, and conservation futures) cannot exceed \$5.90.

**Q: What is the 1% constitutional limit?**

**A:** Washington's State Constitution limits the regular (non-voted) combined property tax rate to 1 percent (\$10 per \$1,000) of assessed valuation. Voters may vote for special levies (such as school levies) that are added to this figure.

**Q: What is Initiative 747?**

**A:** Initiative 747, which was approved by voters on November 6, 2001, changed the amount a taxing district may levy. The regular property tax levy of a taxing district now is limited to 101 percent of the highest levy since 1985, plus amounts attributable to new construction within the boundaries of the district or annexations to the district. Prior to I-747, the limit was 106 percent. Please note that the initiative does not affect assessed values; it limits the amount a district may levy.

**Q: How do the taxing districts set the tax amount?**

**A:** Every year the directors, councils or commissioners of all taxing districts meet in open session to determine the amount of taxes to be collected the following year. Public questions or comments are welcomed during this process. Once the budget has been adopted, the amount of taxes to be collected is certified to the County Assessor. The Assessor computes the levy rate required to raise the certified tax for each district and ensures that none of the constitutional or statutory limitations is violated. The County Treasurer mails tax bills on or about February 14 of the

year in which they are collected and the receipts are distributed back to the various districts.

### **Q: What is a Tax Code Area (TCA)?**

**A:** It is a geographical area in which local entities such as a city, county, school or fire district may assess taxes to sustain its operations. These combined taxing districts make up a Tax Code Area or TCA. In a county as large and diverse as Snohomish, there are hundreds of Tax Code Areas. TCA summaries can be reviewed as part of the Assessor's annual report for taxes, which also can be accessed online at [www1.co.snohomish.wa.us/departments/assessor/2005report.pdf](http://www1.co.snohomish.wa.us/departments/assessor/2005report.pdf).

### **Q: What tax relief programs are available?**

**A:** There are several exemption programs and special classifications available that provide tax relief. Please contact our Exemption Dept. at 425-388-3540 or visit our web site at [www1.co.snohomish.wa.us/departments/assessor](http://www1.co.snohomish.wa.us/departments/assessor) for more information.

■ Exemptions for qualifying property owned by non-profit organizations.

For further information about any of these exemptions, contact the Exemption Department at (425) 388-3540.

### **Q: Is it possible to make a "ballpark estimate" of how much the taxes will be on a piece of property that I am thinking about buying (or a structure that I might build)?**

**A:** Yes. The average 2006 tax rate in Snohomish County is about \$11.05 per \$1000 of assessed valuation. Rates vary from area to area and from year to year, but multiplying the number of thousands of dollars of price or cost by \$11.05 will provide a rough estimate of taxes. Tax rates ranged from a low of \$7.8375 to a high of \$13.0782 depending on where you live in the county.

### **Q: Whom should I contact for more information?**

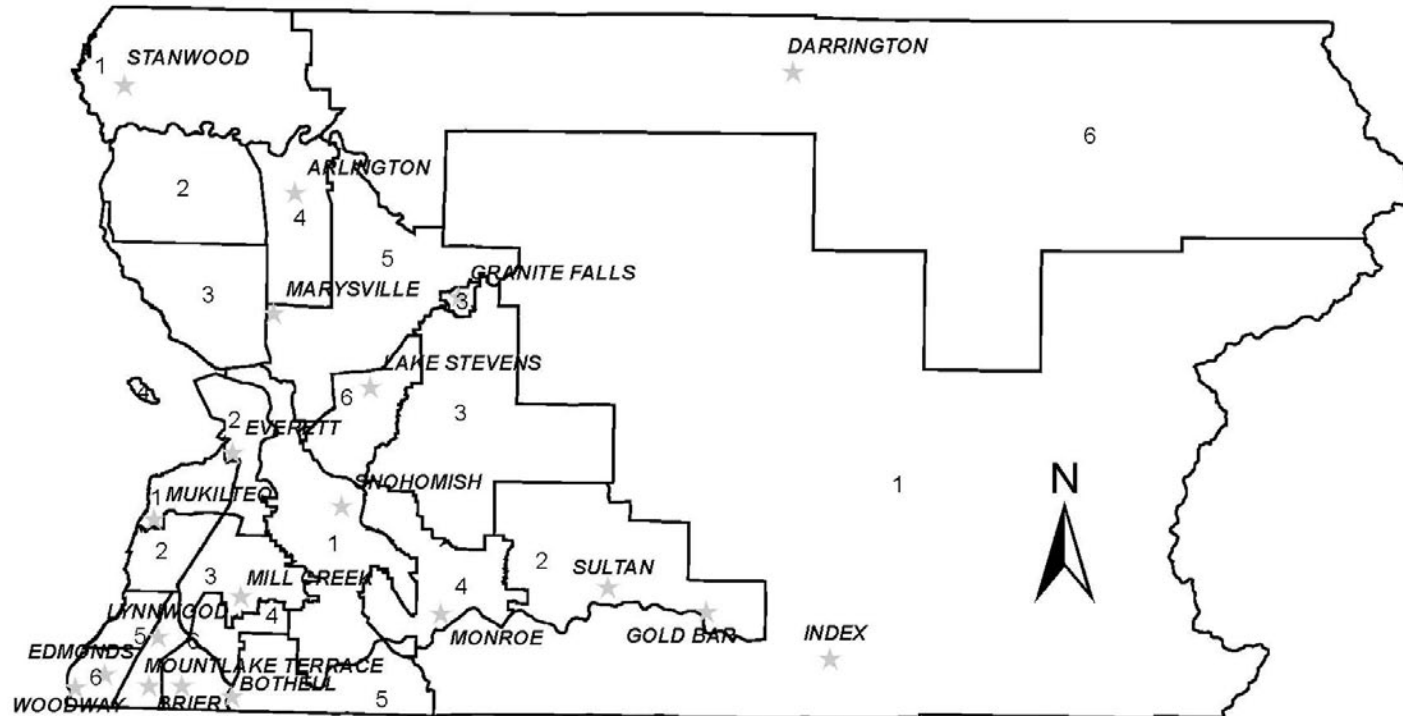

**A:** Visit the 1<sup>st</sup> Floor of the County Administration Building, 3000 Rockefeller, Everett. Hours are 9a.m. to 5p.m., Mon. - Fri. except holidays.

# Typical Levy Rates by City and Unincorporated

## TYPICAL LEVY RATES BY CITY AND UNINCORPORATED

City	2006 Typical Levy Rate (1)	City	2006 Typical Levy Rate (1)
Arlington	10.4548	Lynnwood	9.6504
Bothell	9.9718	Marysville	10.1554
Brier	9.5603	Mill Creek	11.0331
Darrington	11.1990	Monroe	10.7089
Edmonds	10.0529	Mountlake Terrace	10.1687
Everett	11.9989	Mukilteo	10.5281
Gold Bar	12.0865	Snohomish	11.6164
Granite Falls	13.0782	Stanwood	10.7282
Index	8.8238	Sultan	11.8571
Lake Stevens	11.2623	Woodway	9.0022
Unincorporated	11.2884	(2)	

The above levy rates are expressed as dollars per \$1,000 of assessed value.

To calculate a "ballpark estimate" of how much taxes would be on an assessed value, multiply the number of thousands of assessed value times the levy rate.

If your home's assessed value is \$100,000 divided by 1,000 = 100 x 11.2884 = \$1,128.84

(1) Rates may vary within cities. The city rate shown is the predominant rate.

(2) The unincorporated rate shown is an average.

**CONSOLIDATED TAX CODE AREAS & RATES**  
**FOR TAX YEAR 2006**

"TCA's" (Tax Code Areas) designate a unique set of taxing districts. They appear on tax statements. The first two columns list the Tax Code Area and regular, excess and total levy rates within that TCA. The columns to the right list levy types, taxing districts and levy rates. All rates are expressed in dollars per thousand dollars of assessed value.
